Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

You, who are so power oriented and commanding in tone, have a greater need than most for love relationships. Who would guess that you like your lovers anything but aggressive? You need your lovers to be accepting, even at the risk of being on the dull side. Your relationships tend to be long-term, conservative, and quite stable. Your partners often have money, property, and tend to be quite possessive of your attention. Your emotions run deep and you can be fiercely jealous. You bury yourself in your relationships. Only your lover knows how vulnerable you really are.

Taurus on 7th Cusp

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

Venus Ruler of 7th

You really depend on relationships for growth and support, and you tend to find yourself in, and by means of, other people. Others find you very supportive. You may be a bit of a "mother hen" when it comes to watching over your friends and partners.

Moon in 7th House

Report for barak obama

Strengths in your relationships

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

Moon Trine Jupiter (orb: 01 28')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Sextile Mercury (orb: 02 17')

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You are driven to accept more and more responsibility, which is not a burden to you. This is a sign of excellent managerial ability. You're in it for the long haul and are a good example of what real discipline looks like.

Mars Trine Saturn (orb: 02 58')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Trine Saturn (orb: 04 05')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Trine Mars (orb: 07 03')

You love to lose yourself in your latest dream, whether it be a person or a project. You find it easy to be caught up in images -- dreams, psychology, metaphysics, cinema, etc. You probably love movies -- anything that flicks on the silver screen. You may be an artist and you certainly run with an artistic crowd. You are charming to the point of being enchanting. Very idealistic.

Venus Trine Neptune (orb: 07 10')

Challenges in your relationships

You think you can get around doing things as you know they are supposed to be done. These shortcuts end up costing you a lot. You also tend to bite off more than you can chew and can have a million projects going at once. You get carried away with yourself easily in arguments, and those close to you sometimes accuse you of not being entirely fair with them.

Mercury Opposition Jupiter (orb: 00 49')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Square Neptune (orb: 03 39')

You are unconventional, at the expense of your own popularity. You did not care to follow in the footsteps of a traditional upbringing, and you may have left some very disappointed parents behind as you set out on your own. Independence and originality for you have been almost a private thing. You have sought it out despite the occasional disapproval of the status-quo. You may be restless and move around a lot. Your desire for personal freedom has always gone against the majority.

Moon Square Uranus (orb: 04 11')

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

Mercury Opposition Saturn (orb: 06 22')

You are a real dreamer but can't always manage to put your vision into words. You may occasionally be accused of cloudy thinking and of letting your imagination run wild. There is a likelihood that you frequently get yourself into situations in which you are disappointed, or disappoint others. Some clear thinking on your part could prevent others from getting the feeling that you are intentionally misleading them. You may have trouble paying attention, keeping your mind on what you are doing.

Mercury Square Neptune (orb: 06 53')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security.

You may tend to dominate a relationship, but without success.

Moon Square Pluto (orb: 07 32')

Your Relationship with michelle obama

You probably felt at home with michelle right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. She feels almost like family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from your home.

Her Moon in Your Fourth House

At last, someone you can really talk with. You should have become instant friends from the very start. michelle is the kind of person that is intellectually stimulating. Together you could spend great amounts of time exploring ideas and concepts, taking walks, and even short trips. Talking until dawn is not impossible with her. The platonic thing was there from the start, and there is a sense of the brotherly and sisterly between you. Even if lovers, you will always be first and foremost, good friends.

Communication is so strong between you that it is possible for you to team up and collaborate on writing or speaking projects. Take the show on the road.

Her Mercury in Your Third House

She seems to appreciate your more domestic and homey qualities. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. She has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. She is anything but boring.

Her Uranus in Your Eleventh House

You find michelle enchanting and are easily carried away by her eloquence and non-worldliness. There is a dreamlike quality to your relationship, as if it were being somehow carried out on some higher plane. When you are together you feel a sense of unity and oneness. A lot of the pettiness of life seems to drop away. You may wonder whether this is too good to be true or if the two of you are just deluding yourselves. You may love water and the movies.

Her Neptune in Your First House

She is very dynamic, and you probably met her in a group of friends or at a community function. She may instantly set about forming a new group of friends for you to hang around with, or she may advise you on which groups and projects are really worthwhile. michelle will strip away a lot of needless social niceties. How You Approach Relationships

You tend to be impetuous and daring in the way you come across. Your seeming innocence does not always make up for a tendency to be too direct at times -- some might say rude. You fall in love easily, often, and you are not afraid to rush into a relationship. Above all, you always seem to go after those with manners, education, and a dignified appearance. You love to be the bull in someone's china shop. You tend to seek a real diplomat for a partner, one who delights in smoothing over your rough spots.

Libra on 7th Cusp

With you, good looks count a lot. You like partners who are charming, refined, and appreciate the better things in life. You may depend on them for appreciation and love, and you probably share the same set of values. They tend to dote on you, and you like it that way.

Venus Ruler of 7th

If there is one area of your life where you really let yourself go, it's relationships. For you, there is none of this 9-to-5 stuff when it comes to love. You want your love life full of dreams and very imaginative. You have a calming effect on your social group, which tends to include friends capable of joining you in your high flights of fancy. Need we say that you are a dreamer, and by the same token you might slip into gullibility and lose more than one possible partner through wooly-mindedness on your part. Not everyone is as out-of-this-world as you are. You love to take in a movie with friends and lose yourself in unusual conversation. You are drawn to film, theatre, and fantasy, as well as the occult.
